CTE Partnerships at Work

Building Skills, Shaping Futures

Connect with national industry association leaders at the 2025 Coalition for Workforce Development through CTE Summit

ACTE's Coalition for Workforce Development through CTE, in partnership with Ford Next Generation Learning, is proud to present the 8th annual Workforce Development through CTE Summit. This annual event (held in conjunction with ACTE's CareerTech VISION conference) brings together industry association, workforce development, and business leaders focused on strengthening partnerships between businesses and education.

As an official Summit sponsor, you'll have the opportunity to meet and collaborate with over 75 industry association and workforce development professionals from across the country!
